Material for My Trip

Please have ready for me by 9:00 a.m. on Friday, November 17 the material I should have to prepare myself for the trip with the Secretary next week. As you know, I will be going to Argentina, Brazil and Venezuela.

Things which come to my mind are:

Lists of people I should contact in each of the three countries. *Also Prisoner lists.*

The names and addresses of the Human Rights Commissions in each of the three countries (does Venezuela have one?).

The names of refugees in Venezuela from the other South American countries.

Thanks.
